10 August 1949

THRU: Chief, Basic Intelligence Group, ORE
Assistant Director, ORE
Petroleum Supplement to NIS

REFERENCE: Memorandum from DCI to IAC members, same subject, dated 20 July 1949.

1. The Chiefs of Intelligence of State, Army, Navy, and Air Force agree to the proposals set forth in reference and concur in the draft memorandum for the Chairman, Munitions Board.

2. The Director of Naval Intelligence stipulates that classified intelligence supplied by Navy to the Petroleum Committee must not be made available to any non-governmental agency by the Committee without express consent of Naval Intelligence. The Director of Intelligence, USAF, recommends that CIA be assigned coordination of Supplement V. These views will be taken into consideration in working level discussions regarding this matter.

3. There is attached herewith, to be signed by the Director and transmitted, a memorandum for the Chairman, Munitions Board. This memorandum conforms to the draft memorandum approved by the IAC members. It is understood that details concerning this matter will be handled in the first instance by the Chairman, NIS Committee, and the appointed representative of the Petroleum Committee.
